PROFESSIONAL LEARNING

Orff Level 1 Certification

2023

The Orff approach is a child-centered philosophy of teaching music to children through doing, playing, exploring, improvising and creating. It combines elements of speech, rhythm, movement, song and dance to teach musical elements and provide children with tools to improvise and create.

Windstars 1 Teacher Certification

2021

The WindStars Methodology is focused on teaching elementary school kids through the following elements of music: rhythm/tempo, pitch/tone, melody/harmony, structure, and expression. Currently working to complete Level 1 certification.

KinderFlute Teacher-Trainer Certification

2019

Attended as a Teacher Trainer "in training". Led lessons and activities for both teachers and students. Team taught with another teacher trainer. Developed and facilitated a workshop for all teacher attendees on marketing, community outreach, studio promotion and development.

SCHOOL AND COMMUNITY INVOLVEMENT

Mayfield Flute Group

2019 - 2020

Led Mayfield Secondary School's first-ever flute ensemble with students from grades 9 through 12. Participants included flute majors and other instrumentalists. Together, we commissioned new music written especially for the ensemble and performed in several school-based performances.

Brampton Symphony Youth Orchestra

2012 - 2015

Handled all organizational aspects of the group, including: weekly attendance, providing regular communication between administration and families, contacting and visiting local schools to develop community relationships, finding educational and team building performance opportunities, and creating valuable student resources
